Summer Hockey is NOT required. It is meant to be FUN and Challenging Skill Development sessions to keep players engaged in the off-season. All players are encouraged to try other sports and activities, catch up on school work, challenge themselves, or take a break as needed. Players that are looking for an off-season challenge on the ice should show up ready to give their best effort and work hard. Players that aren't up for a challenge in the off-season should decide what works best for them and their development. All sessions are individual effort based and will run much smoother for all involved if every player is committed to giving their best effort. Every child is different and their long-term athlete development needs may vary.

(Fees below cover ice time & coaching.)

- **1st year Players and Beginners of every Level have three options to choose from this Summer:**

All 1st Year Players ie; have not completed a full season of WCYH are now required to take at least one six-week session of Learn To Skate AND Developmental Hockey before registering
