

WEBER COUNTY SPORTS COMPLEX FALL RECAP 2022 NOVEMBER-DECEMBER

Weber State Hockey Sweeps the Beehive Showcase

Weber State Hockey proved they were true Wildcats as they took down Montana State, Michigan State, Northern Colorado, and Grand Canyon University during the Beehive Showcase. Over the course of the 4-day weekend, WSU was the only team that was able to defeat all of their opponents during the Showcase. Scoring a total 17 goals after all was said and done, the team showed off their skills and proved that they were worthy of taking home the crown. Rob Simmons was the man to watch over the weekend as he scored 6 goals for the Wildcats during the showcase. Simmons even got a hat trick, making it the first hat trick for the Wildcats this season. When asked about the weekend, goalie Kyle Lane said it was a total team effort. "We're coming together as a family and everyone wants to be better for the guy sitting next to them...everyone played hard and played their part and it resulted in some good wins."

Weber State Hockey's next home game will be on January 7th at the Weber County Sports Complex. Puck drop is at 7:15 PM. Come and support your Wildcats and cheer them on at their first home game of 2023 as they take on Utah State University. Go Wildcats!
